Dear Showplace Exhibitor,

We would like to take this opportunity to welcome your company to the Suburban Collection Showplace. We ask your cooperation so we do not have any exhibitor experiencing any problems during the show.

In order to expedite a smooth and proper operational show, please fill out your service requirement order form and return it immediately. Full payment must accompany order to receive advance rate. No exceptions! Payment in full must be rendered prior to opening of the show. Advance order deadline: Five (5) working days prior to the first move in day. All orders received after deadline or on-site are subject to the floor rate. Any orders requiring collection during or after the show are subject to the floor rate including declined credit cards.

We accept Visa, MasterCard, American Express, Discover and checks as payment. Cancellations made 7-14 days prior to show will be refunded at a rate of 50%. Orders cancelled later than seven days prior to show will result in forfeiture of deposit.

To prevent circuit overloads, exhibitors are not allowed to add wattage to existing outlet. We also ask that no exhibitors share drops amongst themselves. Outlets will be dropped in one location in booth, unless floor plan is submitted with order and payment. If more than one booth area is on order form please attach an additional sheet with layout and booth number for each booth.

For safety purposes, all connections larger than 30AMP must be hard wired. All motors must have a magnetic starter or manual disconnect switch. Wiring and electrical connections to motors or equipment will be billed on a labor and material basis. All customer supplied scatter boxes require at least 30' of cord sized properly for feed for field connection.

Electrical usage will be metered at the beginning of the show and additional charges, for amounts over the original order will be applied at the floor rate at that time.

**If it is necessary to change the amount of power drops for your booth after installation, floor rates will apply and no credit will be issued for prior payment. All orders must be paid for in full prior to electrical installation.**

Billing for all additional charges will be made at a later date. Customer is responsible for all charges made on phone lines from move in through move out of show.

Materials and labor for 24 hour power or 240V is a 50% addition to total bill. Labor is billed at \$50.00 per hour straight time and \$75.00 overtime. For additional needs not listed on this form, call our office for availability and pricing.

Thank you and we hope you enjoy the show!
